

Lawrence Stevens

June 27, 1928 ~ July 21, 2023

Larry and Virginia have been wonderful examples and friends in my life. I feel so blessed to have been around their goodness in my early life and as neighbors for twenty years on Saint Mary's. I always felt love in their homes whether on Fillmore, Glenmare, or Saint Mary's. Love and hugs to all your family. You are all choice.

Our love to your family. Lawrence was a great friend and example. He accomplished great things in his life. So proud that he came from Holden.
