We are currently in Phoenix, Arizona at our place enjoying the sun and just got the news of Lee's passing. We are so sorry we cannot be there because he was such a good friend to us. I remember him calling me and saying he's got the hundred dollar Airline ticket to Alaska and that started my whole Alaska adventure. All because of Lee, he was a great man and we will remember all the good times we had with him. We wish you the best and if there's anything we can possibly do please call us. Love, Ken and Jan.

Carol, what a wonderful tribute we watched your family and friends give to Lee. We didn't know how accomplished and caring he was. He will surely be missed. We also know the best decision he ever made was marrying you! You made him extremely happy in this life, and that happiness will continue in the next as well. Take comfort until you are reunited. Best wishes for the future, Irl and Marsha.
