

Lee Roy Powell

February 14, 1941 ~ November 23, 2025

Spent as much (or more) time in high school at the Powell house as my own. Lee and Janet were a second set of parents to many of us and I loved them dearly. Fond memories. Rest in peace Lee and look forward to seeing you again Thoughts and prayers for his girls and family

Lisa and family, I was so sad to hear of Lee's passing. He was always kind to me and my family. When I met my husband, your dad was going back to Arkansas from Utah and was kind enough to let us tag along. It was fun to hear his stories and get to know him better. I send all my love to you.

Lisa I am so saddened that you are having to go through this. Still remember meeting him so you could go to town. At that time he seemed very scary but he turned out to be a wonderful guy.
