So sorry for the loss of your lovely Dad. What a wonderful life he had. How very lucky you and your sibling were born into this beautiful family. What a love story on how he met you Mom and your's too. I just saw Sunday AM. Always enjoy seeing your reporting. Madeline Hadden

Leland, Christopher and families, I had the honor of working with your Father and Grandfather as an anesthesiologist. They were two of the most dedicated and respected physician in the country. My wife and your Mother were friends and active community volunteers. In addition we had condos at Poipu Kapili and shared a good friendship for decades. Our deepest sympathy to all the family.
