Lelen Marjean Warnick Remy

LaMond and Silvan were talking with me and asked to send their condolences as well. They each said what a truly wonderful woman your mom was! They remembered her with her great sense of humor and how she always had a comeback. They also said they remembered her great live for life and for serving others.

Paula, Julie, Karen and Kathy, We are so sorry for the passing of your dear, sweet mother. I remember when we came to visit, she ALWAYS shared whatever she had with us. She was always serving others and always looked for the good in others and looked on the positive side of life! I dearly loved her. I'm so sorry we can't go to her funeral because we both have to work, but our hearts are with you!

Dear Family, We wish to express our love for Marjean. Marjean was truly a light to and in the lives she touched. Her beautiful smile and laugh would light up a room. She truly loved everyone and shared her talents and abilities with all. Her example of following the Savior in all that she did was a great example to all. You could always feel her love, light and concern for you. You were so fortunate to have such a wonderful mother, grandmother and

great-grandmother in your lives. She meant a lot to us and she will be sorely missed. So happy she is finally with her husband and son and the rest of her family above. Thanks for sharing her with us. Our love, The Jesse and Lynda Berg Family

It has been my privilege to have known Marjean for nearly 30 years--about half of that time it was my good fortune to have served as her Home Teacher / Ministering Brother. I can honestly say that I have never come away from a visit with, or a phone call to Marjean but what I was the beneficiary; I always felt happier and more cheerful because of my interaction with this marvelous woman. She portrayed a sense of happiness, even when I knew that she was experiencing a great deal of pain and discomfort. She never wanted to discuss her own ailments; she always was interested in talking about me, my family, our friends, neighbors, etc. I think I speak for all who knew her when I say that she will be truly missed, and that our lives have been better for having known her. In my home I have displayed a beautiful porcelain statue of Christ which Marjean made for me when I was released from our Ward's Bishopric, many years ago. That statue will always be a prized keepsake, given by a wonderful friend.

Marjean was such a beautiful soul. I will never forget how she treated me up as if I was her own. There was a time when I was ran over by a car, and she took me to the hospital. I am so sorry for your loss, I know how hard it is to say goodbye to such a loving individual. My thoughts and prayers are with you. Are

This is very belated, but last night I woke up and Sister Remy came to my mind. She was one of my Mutual leaders well over 50 years ago. She always made me feel so loved. I came online looking for her today and found her smiling face. I wish I could have told her how much her love and caring meant to me. Instead, I'll tell her daughters and posterity. She was a true disciple of Jesus Christ and I love her still.
