

Lenore Coburn Davis Mott

August 24, 1938 ~ February 9, 2023

I have known Lenore for over fifty years. We lived in the same neighborhood and raised our kids together. We went on many camp outs, cookouts and did many other activities as family's. After retirement we had many fun times in Beaver Dam Az. with her and T. J. She was a beautiful person both inside and out. Both myself and both of my wife's just loved her. Our condolences to your family.

Gregg, Brad, Robin and Julie; Lynn and I send our love and condolences to each of you in the passing of you mother. She has been a friend for so many years. We even reconnected down in Beaver Dam. She made the best pecan pies. Remember living up the street from us right by the church? We hope you find many good memories in the love she had for each of you. Love of family is Eternal. Bless you all at this time.

To the Davis-Mott family, may our Father in Heaven comfort your heart with peace at this time in your lives. Aunt Lenore will be missed a lot, she was always a classy lady and I always enjoyed seeing her and being around her may she be at peace and enjoy being reunited with her family members and parents in heaven.

I enjoyed taking care of Lenore in her short time at WhisperCove. On Sundays, she dressed to perfection and never missed her chance to put on some red lipstick. May you all find comfort during this time.

I worked for Lenore Mott (for some time) at the Telephone Company. She was a remarkable lady and I had a lot of respect for her. One of very few Managers that I loved working for. Rest in Peace. ■■♥■
