

Leona Fannin Rowan

January 28, 1939 ~ August 17, 2021

I’m sorry for your loss. Condolences to all your family. Sending love and hugs to all of you. ■

Sr Rowan and Bro Rowan along with their family are wonderful people and so kind in all they have been to myself and the many others who have been in their presence. Her meals were so delicious and very welcomed and his skills in dentistry have remained indelibly litrral in my mouth now over 40yrs and still I have a young set as my present dentist indicates. They will both be missed. My sincerest to their family members.
