

Leonard “Dale” Elton

October 25, 1935 ~ April 7, 2023

God bless my uncle Dale he was a great uncle he enriched my youth with his kindness and hospitality. He was the best and he will be truly missed.

Lenny Dale was the ultimate leader at the Police Department. He was there when it was still fun and a joy to work for the department. Between him and Chief Willoughby it was an honor to work with them. However he had a great sense of humor and he knew how to use it. There are many stories but he truly was a leader and I appreciated everything I learned from him. May he rest in peace now.

I worked with him at RMIN and when we were transferred to another state we traveled together. He was an excellent person, friend, and boss. I have been blessed to have in my life and great love for him and Janis.

- Renae Lewis

I was just thinking of Dale and Janis. I worked with Janis a ZCMI. She was so good to me the best boss ever. I loved them both.
