

LeRoy Richard "Dick" Strong

March 29, 1926 ~ August 23, 2021

Carole and I send our most sincere condolences to the Strong family on the occasion of the passing of our long-time dear friend Dick Strong. We worked together in the Ward on many great causes in the Kingdom and often saw Dick as we both served in the Salt Lake Temple. We will miss him.

I wanted to send my love to your family. Your dad was such a kind and generous man, along with all of the Strong family. I loved growing up in Fish Haven and being able to go fish and play down at the resort and boat dock -being able to take my own family down later. Always, if Brother Strong was outside, he would greet us with a smile and welcome us. Sometimes he would invite us inside for a visit and a treat as well. He was so friendly. I am sure he and my father have greeted each other with a big hug and are getting ready for the big reunion when we will all be together again.❤■❤■

By his very nature, Dick was and is an extraordinary good person. As with all his service, he was a faithful home teacher to us. He was always cheerful and uplifting to be around. He never complained, but he did miss Adell and looked forward to being with her again. His life was a blessing to so many. May faith and sweet memories bring peace to the many who grieve. Dick Strong was one of the last great original P-3 members. The Koelliker family fondly remembers him, his beautiful wife and family and sends our condolences. A man of service to friends and neighbors. As a child, trick or treating on Halloween was never finished until a stop at the Strongs, who always had the best treat!

Dick was, without fail, happy and upbeat. It was always fun to be with him. One memorable moment was eating at Hire's after a temple session and seeing him wolf down a chili cheese dog.
