This is a beautiful obituary Mary. You two had a long run. I'm so sorry for your loss. I love you old friend.

You and I met when we became locker partners !! I am very sorry for your loss. Keep your family around you

- Brenda (Butler) Barber

My sincere condolences to the Family. My heartfelt sympathy to Riley as I remember fond memories of starting our basketball journey together at the YMCA and continuing on thru High School. I'll always remember your dad's energy on the sidelines and in the stands. A staple in the community of Hanford. Rest In Peace Mr Roy.

- Felicia Corral

Sending love and hugs to you all. Roy was truly a remarkable man and he will be missed.

My condolences to the Berrett family. Brother Berrett was a great example to me of a man of God. His belief in the gospel of Jesus Christ was a bright light to me in my journey. I literally have been wondering how he was doing and if he and Sister Berrett still lived in the Hanford area, so just today I took a minute to look him up online and saw his obituary and that his services are literally today and tomorrow. I'm sorry for your loss, but I know you'll see him again. In the name of Jesus, amen. Sincerely, Gladys Hill

I was so pleased to attend the funeral via zoom! What a great family! What a great legacy! What great stories! Prayers for you and your family during the coming days for peace and calm during this time…. Love and prayers….

I only knew President Berret for a short time at the end of my mission. He was loving and kind. Sadly, I only learned of his passing a week after the funeral. He made me feel important at the end of my mission and provide much love and support as I dealt with the sudden passing of my own father. He truly was a great man.
