We join with you in sending a sad goodbye to a wonderful man. We were blessed to have him as part of our lives and were better for it. It was a joy to have him as a counselor in the bishopric for over 8 years. He was so positive and kind to everyone and left smiles wherever he went. Everyone was better off because of him. He was a man of great courage and faith who would always do what needed to be done. It can truly be said that he had not guile. He was a perfect example of how to live the gospel. Burt was truly beloved in Alhambra Ward. The world was a better place because of him.

Brother Maxwell was my church father and loved me as a son. He taught me so much over the years. Is one reason why I service information for the church. I remember helping his son-in-law put a roof on their house and Alhambra. Thank you for being a great example to me and my children you will surely be missed should love you Mr. B

We sure love you Brother Maxwell! His love , concern, and kindness was sure felt by all blessed to know him! 21 years ago he and Marian were so good to my family! They loved and looked out for me while pregnant with triplets and we're there for me when they arrived! I will never forget their sincere love for my little family!

My Uncle Burt was the best uncle, and the best person. After Marian passed, he and I used to go to lunch, or brunch together almost every single weekend. I loved him dearly and will always miss him. He is in a better place now. I am grateful he was my uncle.

It is sad that extended family only get together at weddings and funerals. So good to see all of you once again even virtually. I have a few but great memories of my Uncle Burt. As a small boy in their back yard near Granite High, at family gatherings, his fun laugh and great personality. 'Til we meet again.

Paying my respects this morning to my Uncle Burt. Last saw him and Family at the Black Bear Diner in SLC, for lunch, I believe in 2015. I have missed our weekly phone calls. You wouldn't think we had a lot to talk about, but we found common ground. Uncle Burt was always of even temperament and always very kind. I will miss his good energy so very needed in this day and age. Remembered with good memories. Condolences to his Family and loved ones. 'The Lord is close to the brokenhearted and saves those who are crushed in spirit.' Psalm 34:18
