

Leslie Bruce Greene

October 4, 1942 ~ October 17, 2024

We cherished our friendship with Les. We enjoyed weekly lunch dates and often a good movie with he and Kathy. We looked forward to playing Five Crowns (along with some yummy food) on occasional Friday nights. The laughter that accompanied our fun evenings was maybe what I enjoyed the most. We always looked forward to our time together. Les will really be missed, he is a good, kind. loving man. He adored Kathy and I believe always had her interest foremost in his mind. We love you Les and Kathy.

Dear Kathy, I was so surprised when Lynda called me today to tell me that Les had passed away. I recall that Les was coming home just a few weeks ago and how worried you were about trying to take care of him and all of his needs at home. Knowing how huge of a problem it can be to handle such situations because I have been there and done that, I felt that it was with mixed emotions that his passing caused you. Know that I love you and hope you can get the rest you need now and can forget the bad things and remember the good times. I will see you at the funeral. Love, Rae
