

Les Powers

December 31, 1949 ~ October 2, 2025

I'm heartbroken to have lost such a talented artist and kind soul. Les was an incredibly gifted wood sculptor, and he continually amazed me each year at the Sculpture in the Park show in Loveland, CO. He will be deeply missed.

Worked with Les T the Sheriffs Office . We were in patrol together and worked the south east area of the valley. He was a good man and a great Deputy Sheriff. Condolences to his family.

Les and I were roommates in the early 70’s. We worked together at the Rustler Lodge in Alta and were martial arts buddies for many years. We lost touch with each other when I moved out of state and our lives didn’t intersect much again. I was extremely saddened when I heard of Les’s passing. Tauni, my sincere condolences to you and

your sons.

- Jeff Rylee

I’m so sorry to hear this terrible news. My heartfelt condolences to you, Chris and your family.

I worked with Les at South Valley Harley-Davidson. He was an awesome person. He always did figure Eights in the parking lot on his V-Rod before we opened. He loved riding and he was an amazing artist. He will be missed.■

Such a terrible loss for the many, many lives Les touched with his beautiful soul. May you be forever blessed by the memory of his indomitable spirit.

I live in Zion National Park, a very spiritual place to me. I met Les years ago and over the years, many pieces of his art found their places throughout my home. To me, the connection between Les, his art and Zion are spiritually intertwined and are powerful and gentle at the same time. My love goes out to his family and friends.

Dear family, what a beautifully written tribute to an amazing man! Les would say his greatest joy and accomplishment is his family. You are his joy and his inspiration! Thank you for sharing him with us. He is bigger than life with a heart of gold! He has made a big impact on my life. I can see him with my husband, Frank, sharing a glass of whiskey. They were quite the pair and so entertaining. I smile when I think of them together again. Bless you all during this difficult time, Michelle and (Frank) Jones
