This is The Place Heritage Park would not be what it is today without the help of LD. For the past 20 years LD contributed his time, ideas, and funds to make many significant improvements at the Park. I will ever be thankful for his inspiration and friendship.

He was a very inspired man who kept me going during my mission. From two injuries and homesickness he was a stern yet loving soul. Caring about his missionaries. Surely missed but in a humble home now.

My sincere condolences to the Bowerman family. I'm so grateful for the opportunity to get to know LD for so many years as well as for the opportunity he's given me and our company to work for him. He will be missed!

I served my mission with the Bowermans starting for me in June 1995. I met my husband Michae therel who was another missionary serving. I know we gave poor President Bowerman some headaches when we met but I also

know he loved us and wanted us to be the best missionaries we could be. Sister Bowerman was indeed the sweetest hostess anywhere we were. I am thankful for their service as mission presidents and to know of their history of hard/impressive work and love of their family. I send my love to you at this difficult time and wish Mary great health and longevity of life and spirit. God be with you.

Shannon, I remember how close you and your dad were when I first met you. You always spoke of him as a hero in your life that you looked up to and loved so much. This time of life is hard bc we are losing those who loved and nurtured us. I'm grateful for the knowledge of Gods plan for us and hope that you feel comfort through the Holy Ghost. I'm sure your Dad is looking down at his posterity and rejoicing.

I'll always remember LD as a bigger than life character. He was hard driving and direct, and still always had a smile in his eyes. I admired his business mind and vision. I'm grateful to have known him. Praying for peace for his loved ones.

As my mission president for 2 years, President Bowerman always quoted from Alma, how he wished he could preach with the tongue of angels. President, I hope you get your wish. Heaven gained another missionary.

I'm grateful I served on under President Bowerman and Sister Bowerman. Their guiding love and testimony firm in the principles of the gospel of Jesus Christ helped to anchor my faith and trust in my Savior as I served in the Seattle mission. I wish I could be present to give my respects to an amazing man of God.

I am so grateful to have served as missionary in the Washington Seattle Mission under the leadership and care of President and Sister Bowerman. I learned many important lessons from each of them and will be forever grateful for their service and ongoing love that they have shared freely with me and my family upon their return. Thank you for believing in me and for providing me unique opportunities to serve and lead. President Bowerman your presence will be greatly missed, but your legacy will abound forever.

Our thoughts and prayers for Mary and all your family. We have much love and respect for LD. He was a giant of a man and yet so humble. What a wonderful life he lived. A great example to all who knew him. He was our wonderful bishop in Nebraska. I'm sure heaven is blessed by him. ■■

I'm sorry to hear of the passing of President Bowerman. I served a mission 1993-94 in Seattle, alongside the Bowermans. President and Sister Bowerman were wonderful. He was an awesome man indeed - kind and encouraging yet always firm in his decisions. I know he will be greatly missed. Much love to the Bowerman family.

LD was my mission president. I tried to find him and Mary a few times through the years but never was able to track them down. I was grateful to be able to watch the beautiful service and learn more about his earlier life. What a wonderful man!
