July 28, 1952 ~ February 2, 2021

I am very sad to hear Aunt Lilia passed away. She was a wonderful aunt and fun to be around. It has been a long time since I last saw her but I will always cherish the memories I have of her. I am so grateful that this life is not the end and because of Jesus Christ we have eternal life and we can be with our family forever.

I wish I would of gotten to know Lillia better. Lillia was always so carting everyone I would go to her home she would always feed me ,I would never go home hungry, I remember the family parties and the tummy food. S he even tried to teach me and my sisters home to make egg rolls she sure had a lot of patience. She always had the beautiful yard she also enjoyed decorated for Christmas , she always had a beautiful Christmas tree. She will truly missed. Love ❤■ Your sister in law Marilyn

Lilia, you are a bright shinning star. You taught me many things and I will cherish the time we worked together in the same office. It was so true that you were a teacher and mentor to everyone around you. Your home is beautiful. The yard filled with flowers, fruit trees and edibles. The inside filled with your beautiful touches. Sharing your delicious dishes with everyone, especially your recipes. One of my favorite memories was singing with you for one of our company picnics. Thank you for all you taught me. Until we meet again.

Larry, thanks for including us in the service today. We very much enjoyed it. It was obvious that many people love Lilia. She was even more dynamic than we had realized. It is too bad that we hadn't made more time to visit with the two of you over the years. You did a fine job on the tribute and the prayer to dedicate the grave. It has been nice talking with you this week. Feel free to call me again and chat. Also, your are invited to come and visit us here in Layton. Some of our family members, including Shauna, and Sandy watched the service online. The service was nice and it was great to involve nieces and nephews in the program. May the Lord bless you as we move forward in our lives, and look forward to the end of this pandemic. With love, Kent & Kae

I will miss you so much Auntie Be. Thank you for everything you have done for us. I treasure all our memories together. The world will not be the same without you. A truly wonderful, loving and caring Auntie who will forever be in our hearts. ■■■

Since Larry & Lilia were not able to have kids, Lilia often referred to Larry as her kid. When our kids were younger, a couple of times had them sleep over. My one son had too many goodies and threw up on Lilia's new guest bed. She we so good about it--teasing him how he had baptized her new bed. We never saw her angry. We will miss her.

Larry and family, so very sorry to hear of lilias death. What a shock. We learned of it today otherwise we would have attended her funeral. We are glad that you had such a good and long marriage together. She was very nice and friendly. Do your best now that she’s gone and hang in there. I would like to see mike and say hi to him so could you let us know where he is? Thanks and hello to everyone in your family. Charlotte, Farah, Lahsen/Judith and Salam.
