Mr Calvin,KC,Monte and family Your mom was such a special person and although it's been many years,I feel lucky to have known her. I will continue to treasure all of those high school band trip memories and remember what a wonderful woman she was. I know your faith and the knowledge that God is always with you will help to ease the pain that losing your mother brings. Find strength in His love and teachings and remember just how special your mom was. May she rest in peace. With loving sympathy. Sheila Burnell Whitten

What a beautiful service that I know she loved. I have been able to share many memories over the yrs, since I was young with the family in different ways. I love all of them so much. Lilian was one special lady who I have always looked up to and has taught me so much. As the talks were being said my mind flooded with so many wonderful memories. Prayers for all of you and all who will miss her.
