We have lost a dear friend whom we loved and appreciated for her bright spirit and fun-loving nature. Her sons Dale and Pat were great friends of our children while in their teens. We always enjoyed having them in our home. We miss you Linda! Our sincere condolences to all of her family, and special thanks to Dianne for her dedication and loving care of her Mom in her final years while living with you in SLC.

Dianne, please accept my heartfelt condolences on the death of your mother. Though I did not know your mother well, in reading her obituary it is clear that she was a wonderful woman (as is her daughter, the apple does not fall far from the tree). It seems that she lived a long and fruitful life. And again, we are so sorry for your loss.

I can say with a grateful heart; Linda was a delight, we spent many times walking Maggie, going to movies, sharing meals, laughing and her jokes were sweet, too. The memoir says so much of Linda, she lived her life well. I thank God for Linda and will always have her in my heart, two hearts and one mind. My prayers and hugs for all family members ■

We shared many years as neighbors and friends. Linda was always positive and upbeat and I will miss our conversations, as well as the laughter we shared. Just a few years back, I was listening to the Rockies talk radio, and heard a voice I knew I recognized. I called Linda that night (in Utah) and, yep, it was her. Too many great memories to list. Thank you to her children...family was the most important thing to her. You are sorely missed my friend. Time for you to rest.
