

Linda Laker Pearson

June 29, 1947 ~ March 11, 2025

So sorry for your loss. Linda was a lovely caring person. We enjoyed her friendship!

- Jack Welch & Linda Christensen Hardman

We all send our condolences, Linda was such a joy in our families lives when our mother Maurine Noall Hegsted passed away in 2015. Most of us children lived out of state and she arranged rides from the Airport, meals, and an incredible funereal service. We filled the Cultural Hall and our family felt loved and cared for. We send love and comfort to your family and you are in our prayers. The Hegsted Children; Helen, Susan, Maren and Kent.

I always thought of Linda as pretty, approachable and warm hearted. I find myself quite sad to learn of her passing. George, Leslie and I send our condolences to you and all of your family. May peace follow you as you grieve so big an upheaval.

- Cousin Paul Williams

George and family, We were so sorry to hear of Linda's passing. She is one of the kindest people we have ever known and we are grateful for the privilege of having her as our aunt. Scott has fond memories of George and Linda going all the way back to his youngest years in Beaverton and on up through his college years (pizza and a movie at the house) and beyond. We will always remember her beautiful smile and loving spirit. We know she is in an amazing heavenly home (with a fantastic garden) and will be watching over her family here. Much love, Scott and MIchelle

It is with great sadness we heard of Linda's passing. From so many miles away We unite with you all to grieve for Linda. Having worked with George for some years I always felt a deep spirituality which was brought to perfection when he mentioned Linda. Many a time when sadness filled my life both of them would offer prayers for me. Linda will be remembered at prayer meetings here in Ireland. May the Good Lord comfort you. Maggie

George and Family, Our deepest sympathies go out to you at this difficult time. I have many fond memories of Linda from trips to Utah in my childhood and also during my college years and Christmas gatherings over the years. My memories of Linda have been and will always be that of a truly caring, kind-hearted person. I always walked away from every interaction with both Linda and George, feeling greater admiration for you both and feeling better about myself. Linda always made certain that everyone felt seen with her kind attention and concern. She always showed personal interest in me and what was going on in my life every time we visited. It wasn't difficult to see that Linda was and is someone who personified what it means to be a true Christian...and continues to be. The God I have come to know and I Love through much adversity leads me to know that Linda has earned her place of greatness in the eschelons of Eternity and will continue to watch over her family here on Earth and embrace them when their journey is through. Please know that our love, our hearts and prayers are with you.
