This saddens my heart to hear this news. Linda was an incredible neighbor and it was such a treasure to have her and her sweet daughter Toby as friends. Sending those left behind love and prayers. May you have peace and comfort in knowing that she is with her daughters and other family that passed before her, as well as in the arms of her Savior.

Oh how sad I feel seeing this. I just talked with Linda several days ago. We had such a long wonderful conversation. We were Seniors ant Davis High together and I knew her but we didn't get really aquainted until later when she joined our Welby DUP Camp and we found out we were also cousin's both Charles C Rich Descendants. My Great Aunt Fonda Rigby was also married to her grandfather. We lost touch with each other for a few years and got back together when she attended a performance our WJ Senior Band did at Legacy. I was so excited to find her again. Now I'll just have to wait for another reunion on the other side to hug her again My prayers and love to her family. We will miss her until we meet again.

Our thoughts and prayers are with you at this difficult time. Hold tight to memories for comfort. Lean on your friends and our Father in Heaven for strength and always remember how much you are Love by all of us. When our son passed away, Linda painted a picture, and sent it to us, of a boy on a horse, taking it easy. that bought peace and comfort to our hearts. with Love Sharee Romney Fisher
