It was such a pleasure becoming Linda’s best friend at Cottonwood Creek. Linda and I clicked almost instantly. One of the things that truly brought us close was putting together her new Jazzy. I kept telling her we might get in trouble and should wait for Russell, but Linda’s excitement for her newest toy was contagious—and it made me excited too. So together, we put it together and had so much fun. We shared many wonderful moments doing crafts, painting, getting our nails done, and going on outings. I have so many beautiful pictures and memories with her that I will always cherish. I miss her like crazy, and I am so incredibly grateful to have been a part of the end of her life. I love you, Linda.

I was very sad to read about Linda’s passing. I had not seen her in a number of years. I made a few trips to Lake Powell with her. She was fun to be around. My deepest condolences to her family.

I am so sorry to hear about Linda passing. I did not hear anything. I’ve known her for years and years and years. I’m so sorry. She was a great person to know.
