Sincerest condolences to Linda's family and friends. Linda is one of those sweet and kind people that just make life a little better for everyone around her. So glad I got to know her and work with her. She will be missed.

So sorry to hear about Linda’s passing. I remember her from Granite High School. Growing up her parents lived next door to my brother Don Lewis. Great family. Love and prayers for her family.

Linda was the best example and a role model to everyone who knew her. There is no doubt we ALL felt her love... so mission accomplished, Aunt Linda.

I have only known one other person longer than Linda, and that's my brother Gary. What a match they are, I never said it much but I loved Linda. and all them "Utah" Service's. We have solace knowing the Plan of Happiness in the Gospel, and the sealing powers given us through the modern prophets. I remember that day in the Logan Temple, when not only Gary and Linda were sealed, but Dad,Mom,Gare and me were also as a family forever.

John & Alison- I was grateful to have met your sweet Mama while Alison did her hair. She was always so kind and soft spoken. I always enjoyed seeing your mom & Dad in the salon. I’ll miss her! My thoughts and prayers to your whole family. All my love- Jackie

I met Linda over 30 years ago when I was 18. I had just been baptized into the Church and was in Linda's ward. Linda was in the primary and I was called as a primary teacher. She was so warm, welcoming, fun, and she just made me feel special. I always thought she sparkled. She was an inspiration to me –healthy and radiant. Once again, I have been blessed to be in the same ward as Linda for the past two years. How I am going to miss her.
