Sad to know of Linda’s passing. As a child I admired her beauty and grace and she always treated me and other young cousins so kindly. Prayers for the family.

Linda is my first cousin through the Hyrum and June Smith family. Thanks to all who participated in the celebration of Linda's life today. She was truly a lovely and gifted woman. While we were living in the Canyon Road Towers, downtown SLC, we attended the Salt Lake Temple on Tuesdays and frequently saw Linda there. Her faith and devotion were real. May you, her children and grandchildren be filled with joyful memories of Linda in the years to come.

Linda was always kind while looking out for the well being of others. Her service to her parents over many years was remarkable. Thaks to her as well as Marvin and Irene for providing apartment for our mother June to reside. Wonderful Smith family to be part of.

To Linda's family I send my love. Linda is a first cousin of mine, and I remember taking dance lessons from her at her home when she was a youth. What a lovely and kind person Linda is! I hope you who are missing her will be comforted until you meet again.
