Ahh Linda your laugh was contagious. You always brought the fun to everything. You and Norm have created a tight, loving family, that is such an accomplishment. Thank you for helping me through my teenage years. Your guidance helped me navigate some rough patches. You will be so missed.

We send our heartfelt condolences to Linda's husband, and all her family. Thank you for sharing Linda with us for so many years at Edgemont Elementary School. All 5 of our children had Mrs. Hokanson for their teacher. She was such a loving, joyful part of their elementary experience. She had a gift for making each child feel important and valued. She played key roles, especially in our sons' lives. Mrs. Hokanson was always regarded as their FAVORITE teacher!!! Reading her obituary today helped me to understand. Her 3 sons, and then all those amazing grandsons, she truly understood boys, and loved them. My sons needed her influence, and we will ever be grateful for our FAVORITE teacher at Edgemont, Mrs. Hodanson!!!

I was Linda’s esthetician. Over the past at least 10 years I have gotten to know and love Linda. I am so thankful for her friendship and loyalty to me at Sego Lily Spa over the years. I looked forward to each and every time I got to pamper her. She loved her monthly facials and pedicures! She was wildly hilarious and a spit fire. I will miss her dearly and cannot believe she is gone. My heart goes out to her family as you were here love and light. She was constantly talking about each and every one of you. I hope she is at peace and I will always cherish the fact that I got to know her so well! ■ love you Linda!
