Lisa is my dear friend and will always be. We grew up together in the same ward and went to all the same schools. She was always fun. Sleep overs at her house was exciting with arts and crafts and swimming! I did a lot of dares jumping into a cold pool! I can remember going to the movie Grease with her. She bought a Big Hunk candy bar and pulled out one of her back baby teeth with that hard candy during the movie! She is kind sweet and selfless. I

love you Lisa! Until we meet again my friend.

I am so sad to hear of Lisa's passing, she was my mom's lifelong best friend and she meant so much to her. My whole life growing up, Lisa was one of the only friends who always sent my mom birthday cards every year. Even from another state, she always wanted to make sure my mom felt important and cared for… I know my mom is going to miss getting those letters every year. I hope your family can find peace and healing through all the pain. I imagine it's probably an unbearable and overwhelming feeling trying to process something so unexpected. I wish you and your family nothing but the best.
