

Lloyd William Neal

June 25, 1925 ~ January 17, 2022

I was fortunate to be in Mr. Neal's choir classes all three years at Valley Junior High. He was kind and enthusiastic as he taught us to sing, and I still remember many of the songs he taught us, and the programs we performed for the school and our parents. It is wonderful to learn how accomplished he was and what an excellent person he was in every aspect of his life.

Mr. Neal taught Girl's glee and Mixed Chorus at Valley Jr. High School. I was in his class. That was a long time ago. I am 78, but still remember him!!! He was always smiling and good natured. Sandie Spencer and I were always talking and giggling, and he would have to get after us, in a good natured way. He was well qualified, reading his OB. He was a very talented man. Neal family, Just a quick note hoping you are all well after the passing of your father, grandfather, great grandfather, etc. He was a great man and I came to know him when he was a sealer in the Jordan River Temple. What a tremendous talent he had in the pronunciation of names. I always hoped he would be the sealer in the sessions I attended. He was acquainted with my father, Stanley Steadman who was also a member of the Tabernacle choir. We know his gifts are still being used as he works with those who have passed on. Best to all. I hope sweet memories will help you get through his passing.

- Kerry D. Steadman

I think about Mr Neal very often...In fact his picture along with the Valley Jr boys glee class is my home page photo. Easy guy to love and admire. I used to watch LDS conference just to see if he was still with the choir. I don't know if he was the best teacher I ever had, but he was the most beloved and memorable. At least half of that 7 th grade boys glee class has also died. I suppose my turn isn't far off
