I just found out about Lois Jean passing. Lois Jean was my cousin on my Dad's side of the family. I remember my Mom & Dad going to parties and would dance through the night with Lois Jean & Joe, they always had such a good time. When I was a young girl we would have Ranson Family reunions often and all of the families would get together at a local park to visit, play games and have great picnics! I am sending my condolences to all of Lois Jean's family. Love Linda Ranson Webb
