

Lois Swint

March 14, 1931 ~ April 28, 2021

I have many lovely memories of dear Aunt Lois. She was unfailingly kind, beautiful inside and out, and incredibly talented. The world is a little dimmer without her in it.

Dear Lois and I have been colleagues and violinists in the Utah Symphony. We carpooled together for years and had many heartfelt conversations regarding our families, work challenges, and spiritual matters. I admired Lois' outgoing and cheery demeanor which attracted many people to her and who became lifelong friends. She loved the Lord and her strong faith was a big part of what motivated her to keep striving for excellence in all that she endeavored to do. She and her beloved Jay are now planning and building the mansion she always dreamed of and told me about during our rides to and from work.

I was just checking to find out if something had happened to Lois as I hadn't heard from her in months and am so saddened to learn of her passing. She was my high school sweetheart and we spent many hours together with our mutual interest in music via the violin. My sincere condolences to all her family
