Julie: We send our deepest condolences on the loss of your mom. She was a very special lady, one we enjoyed to visit with. She was always good to me when I would help Gabe do things for her. You know we love you and claim you as our family. We think you are amazing, take care of yourself. Your very good friends: Zell Rae and Les Seely

Dearest Julie: I am so deeply sorry for your loss. I know how much you loved your mother and how much you did in caring for and taking care of her in her last years. She must have been a good lady to have produced such a talented, kind and loving daughter as you. With much love, your friend, Michelle

Juliet what beautiful words to eulogy your mom, they made me cry. She must've been an amazing mother, and someone who had the true love of Christ to raise such a wonderful daughter as you. You two had a unique bond that only a mother and daughter can have. She gave to you what she didn't have growing up and you gave her your time and love. I know she is pleased with the wonderful woman you've become. Never a bad word has left your mouth, only sweet caring words to others. I know, because I felt those words from you when I was hurting. Just know Juliet how much I love you and am sad not to be able to be with you due to my work schedule. Just know my heart and spirit will be with you tomorrow. Love always. Robyn

Although the last several years we have been out of touch for whatever reasons, we remember your mother as a genuinely kind and warm woman, always welcoming along with Eddie, and gracious toward ourselves and all of our children, no matter the occasion. You are truly blessed to have such a great mom, and we know how much you will miss her. il hozho.

Such a beautiful eulogy and tribute Julie. Thanks for sharing! Lois is a wonderful and kind spirit, and I am happy that she blessed our lives. I remember having tea with you two (and Eddie) as a little girl, it was inspiring! We were always greeted with the largest bowl of chocolates! Her yard was always so mystical and amazing. I loved to come to your house as a little girl, and get lost exploring your back yard with all the cutest and cheerful garden gnomes. It was truly enchanting! Lois encouraged us to be who we are and be true to ourselves regardless of what the outside world thought. We very much wish we were able to attend, And will miss her energy! Thanks for taking such good care of Auntie Lois, Miss Julie, and being who you are. Lois loved you so very much! We will greatly miss her too. Sorry for your loss, and many blessings your way!

In this time of great sadness, looking back on beautiful memories can provide peace and comfort. Losing your parent can feel like losing a part of yourself and while the grief will last forever, so will your mother in your heart.

Dearest Juliette, Our prayers have been for you and your dear mother these past few weeks. Thanks be to God for his kind answer on your mother's behalf; she has been taken home where she can learn and grow and find knowledge and joy. Our prayers for you are that you find peace, knowing you have completed your ministrations for your parents and that you will also have new opportunities to grow and find joy as you continue on for a time without them. What a lovely reunion will occur one day when you meet them in their new, next estate. How they will have blossomed in their new environment and set aside many of mortality's cares and burdens. Love you dear sister. Be happy.
