Lola was such a beautiful person. I will always remember our fun times at Lake Powell. I can only imagine the reception in heaven with Dubb, Shane, and Danette! Sending my love and prayers for peace and comfort to Kaye, Rod, and all those who loved Lola.

Words can’t express how sad I am. Lola married my brother when I was young! Lola had so much n brought so much into our family! She made our life so fun n always was teaching us new games, piano etc.. I will never forget her ever! A few years ago I wrote her a letter to thank her for giving us a fun life n for taking such great care of my brother (Dub) ! I could go on n on but if you knew her you know what a great person she was! Forever in my heart! I know you’re happy to reunite with Dub again…love you always sweet Lola I will miss talking to you , rest easy!

So sorry to hear. I've been thinking of her so much lately and wanted to contact her but never did. A very good person. Thinking of you all.

I am selfishly sad that you have passed on. And left us all. I am however so happy that you are with Dubby, Shane, and Danette again. You were always so kind, and loving. Thank you for the love over the years. Ps, say hi to all our family that went before you.

Lola was an inspiration to her family and friends. She loved life and made others feel comfortable and loved. She was strong, compassionate and was a great example to everyone, even during hardships of loosing her husband

and children. Loving, Caring and selfless service describes a few of her attributes. Our sincere condolences go out to her family and friends. May sweet memories of her bring peace and comfort to all who loved her!♥■■♥■
