I love you so much, grandma. You are such a beautiful, kind, inspirational person and I am so grateful to get to be your grandson. I will cherish the memories I have with you all of my life. Happy trails to you ‘til we meet again.

I have a few fond memories of Lola, she was a great woman. I thoroughly enjoyed as a child spending time with her and my Papa Dave. We caught a train to Silverton, Colorado with her once and it remains a core childhood memory. Rest in peace, with Love, Morgan Yadron

Such a precious Lady. You will truly be missed. We have such fond memories spending time on our cousin reunions. Such fun times. Always so kind to everyone and always taking time for everyone giving positive words of grace and wisdom. Until we meet again sweet lady!!!

Unfortunatley while reading through Lehi's Historical I learned of the passing of your Mom and long time friend. Your Mom and your Dad and so many memories. I offer my sincere sympathy to her and your family. I failed to talk with her for such some time always good talk of old times, so many wonderfull memories. She will certainly be missed. But the many good times will always remain. Blaine and Sunja
