Lindsay so sorry for your loss prayers are with you and your family.

- Jonette Garcia

Dear Cody and family, I was deeply saddened to learn of Lon’s passing. I had the privilege of interacting with him in the early years of High Mountain Group, and I will always remember his kindness and generosity — especially the day he helped me get out of that snow-packed path after a fast and furious snowstorm. I also remember telling him that he had the most remarkable son in Cody — someone he could truly be proud of. He smiled in a way that made it clear how much that meant to him. Please accept my heartfelt condolences during this difficult time. My thoughts are with you and your family. With deepest sympathy, Marina and Chi-Fu

I am sorry to hear about your loss. Words can never fully ease the pain, but I hope you find comfort in the love that surrounds you, the memories you shared, and the impact your loved one had on so many lives. May you give yourselves the grace to grieve, to remember, and to lean on one another in the days ahead.
