I heard about your loss from my sister, Rebecca Miller. I just wanted your family to know that we are mourning with you. I cried when she told me about it and I cried again when I read her sweet obituary. I lost my 6 month old in February due to a cardiac event and I know that we will have our children in our arms again. We're sending our love and prayers.

Ustedes son unos padres maravillosos y han formado una bella familia. Una hermosa hija que en su corta vida en esta tierra a dejado huellas maravillosas en los corazones de quienes la conocieron. Les amamos y no dudamos que Loreina está feliz de su tiempo vivido en esta vida con su bella y eterna familia.

I was so blessed to get to know this beautiful Angel and be the recipient of so many of her wonderful smiles and early morning snuggles. I have no doubt in my mind she was called back early to her Heavenly Father due to her powerful spirit and strength—even at her young age, you could tell she was beacon of light. Her wonderful light will live on forever in my memory and through her incredible family. The Checketts have been such an incredible example of faith and strength not only at this time but also throughout Loreina's hospital stay. It is no wonder such a sweet spirit was sent to such a powerful family. I will always be grateful to have known Loreina, despite so much hardship in her short life, she was always happy and smiling. I hope one day I will be able to face my trials as she did. Until we meet again, my sweet Loreina! With so much love, Nurse Julia <3
