

Loretta Anne Winfrey

November 13, 1941 ~ February 27, 2026

So sorry to learn that Loretta passed. My best to all of you Mary

- Mary Andreasen

Loretta was a good friend to me. When I moved to Herriman, she encouraged me to join The Daughters of the Utah Pioneers. That started our friendship and we had a lot of fun together. Loretta was so compassionate and she made friends easily. I missed her and Dave when they moved out of our ward. I can only imagine the wonderful reunion she had with her departed family members. A beautiful Lady she is!

Watched your Mom's service I wished I could give you all hugs. She lived for her kids. She always bragged about all of you and those adorable grandchildren. I hope you have joy in your memories We will all see each other again

We we were class mates when attending Yuba college. My condolences to her family
