I can not believe this happened. I am so sorry. I am happy that she is not suffering. I know she is watching over all of us. We will miss her.

We will always remember our two trips on the side by sides, one trip from five mile to the Elberta train tunnel and the other from the Bountiful B up to the 3 Smith lakes. So much fun with Lori and Jon. We love you and you will be missed!

- Scott and Tristen
