My mom, I'm sure is enjoying a joyous reunion with her baby brother! He is a fabulous Uncle and one of the best men I know. He has made a profound difference in my life with his sweet and caring nature! Please give my Momma the biggest hug for me! I love you and you will sorely be missed!!!

Tony was an amazing person and we were all lucky to know him. He was an example of character and kindness to everyone he knew. He and Cissie's sons remain a wonderful legacy he left behind. They will support their mom as he would have wanted. He will be always be missed by his family and friends.

My heart is just broken. My amazing and always will be #1Uncle. He was such an amazing man. The Thursday lunches we got to spend together, will always be cherished and held in my heart. We consider them our dates. You and Aunt Cissie, hold a very special place in our hearts. We will help watch over her, but know we love you and will miss you beyond the stars and throughout the heavens. Rest in Peace my special Guardian Angel. All our love ♥■

A man of talent, and a human embodiment of sunshine. There are no words for such sadness when the world has lost one of its sweetest souls. :'(

Your father was always so good to me; some of the best times of my life were spending time with you guys at the house, watching ball games, and having Michael cut my hair. Your dad never asked me if I needed to go home. He didn't know what was happening at home, but he always let me hang out, and I was grateful for that. I've always been so thankful for my friendship with you guys, and I hope you guys are doing OK with the grieving process. Your father was a good man. Michael
