

Lorriane Wylene “Wy” (Swanstom) Twombly

April 15, 1933 ~ November 13, 2020

It was such a pleasure to get to know Wy. Not long after I arrived at Alta Ridge, I sat with at lunch. In the course of discussion, I mentioned that I had gone to college in Omaha. The first word out of her mouth was Creighton. Nearly fell out of my chair. That day and others we would talk about Creighton, the farm in Waverly, Turkey, Wahoo NE, and much more. As time went by and she began to fade, if I mentioned the farm and her horse, her eyes. I alway tried to say hello. My condolences and blessings for this very special woman.

I knew Wylene later in life after my son married her daughter. She was a beautiful, gentle lady. We spent many happy times together during family occasions. I was saddened to know about her death, and I know she will be missed. RIP, Wylene. Friend,. Gail Hager
