We have many, many fond memories of Louise and her eternal companion Chris. Especially our numerous "BYU Alumni Parties" for the last many decades. We loved them dearly.

We are saddened to hear of Louise's passing. We were blessed by our association with her and Chris during the many years that we lived in the same ward as them in Scottsdale. We offer our sincere condolences to the family.

Louise was a dear friend to us and we will miss her wonderful zest for life, her great smile, her creative nature and of course her friendship. We can only think how joyful she must be to be reunited with her kind husband Chris. They’re a match made in heaven!

I love Louise. I served with her in the Relief Society presidency in Newport Beach. My favorite response from her was when I ask her when you ask Chris how you are doing financially he would respond “we are good today”. I’ve carried that philosophy to help me remember to be mindful “ I’m good today”.

I am so sorry for your loss, your mother was the most amazing woman! She was so unselfish and served everyone. When I was President she was the compassionate service leader, she was so helpful in giving rides, taking meals and comforting with those who needed comforting. Your mother was a perfect example of Christ-like love! I will truly miss her. Love Cindy Hansen
