We are so sorry to hear the passing of your loving mother. George and Louise were wonderful neighbors for many many years. We still have a picture of your parents on their 4 wheeler going down Julep Dr. with the biggest grins on their faces. Michelle was just asking if I had heard anything on how Louise was, she said mom I don't know why but I've been thinking about Louise the last couple of days. Sending well wishes to you all during this time. Sending well wishes, The Anderson Family.
