No tribute can be stronger than her life and example. Lucille greeted everyone with a smile. A truly magnificent woman. Though Janicka and I are traveling and won't be there we offer our deepest condolences and love to the family.

Mrs. Sorenson (as I knew her) was my fifth grade teacher at Highland Park in the 1960s. She was the best! There was something very special about her. My sincere condolences to her family. A life well lived.
