

Luther William "Bill" Palmer

August 11, 1927 ~ May 24, 2022

We are so sorry to hear of Bill’s passing. We worked with him at the Jordan River and the Salt Lake Temple. He was an amazing man. We loved him and will miss him

How I loved being greeted by Brother Palmer in the Salt Lake Tempe early mornings on Tuesdays. He was a joy and a delight.

To our dear Palmer family, Loved your dad so much. His kindness, caring concern were always apparent. Giving him a hug was automatic. Bless all of you dear family. Covid will prevent us from attending his Veiwing or Funeral. Love, Jeff and Melanie Wheelwright.

I have been so blessed to have had my wonderful friends, Bill and Virginia Palmer, in my life. Dearest friends pass away one by one but leave countless cherished memories forever. My sincere condolences to your family. Arthel Murdoch

Bill felt almost immortal to me. He was a steady, dedicated, kind man that made significant contributions where ever he was - a "lift where you stand" person. I've spent some time thinking about his happy reunion with Virginia. Love you Claudia! I cannot come in person today, but will watch the Zoom service.

Brother Palmer was such a sweet and caring greeter at the Salt Lake Temple. I loved bringing him a calendar every year. Our businesses crossed paths for many years. Heaven truly has gained an Angel.
