

Lynda Jackson

August 22, 1949 ~ December 19, 2025

I had the privilege of working with Lynda at Dunford for many years, she made work fun, we shared many laughs. We also shared a love for Dancing with the Stars. We would always have our Tuesday morning recap of the show and talk about which dance we liked best and then rewatch our favorites. She was very quick witted, which I appreciated and enjoyed. We kept in touch even after her retirement. She always talked about her parents and siblings and nieces and nephews in high regard. My deepest condolences go out to her family. She was a great person and will be missed.

Lynda and I have been friends since the 5th grade. We have had so many adventures and experiences together throughout life. As teenagers we would ride our bikes down 13th east all the way to the Cottonwood Mall! We hiked through the fields behind her house with a sack lunch and spent all day having an adventure. We would catch the city bus and ride to SLC to shop or see The Beatles movie! As we grew older we had a tradition of making Christmas candy every year...LOTS of it!! My children loved her as an extended family member. She attended every baby blessing, baptism, missionary farewell and wedding. She ALWAYS helped me in the kitchen telling me to "go be with family" and did the cleaning up. She's the best friend anyone could wish for. I love her and already miss her terribly. Till we meet again, my friend.
