Dear Susan, Gary, Todd, and Families, We send our love and ask that Heavenly Father's tender blessings will be with each of you. Lyndon will always be remembered as a kind, loving and caring person. I especially remember his singing in the Stake choir with his father, Grandpa Callister, which they both enjoyed . Another tender and memorable time was with Lyndon and his brothers meeting together and sharing memories. May we always keep this special person in our lives as an example.

- Woody, Maralyn & Family

My deepest sympathy to all the family and friends who celebrate a life well lived. I was touched by Lyndon and the Callister family as a neighbor and friend. The Callister and Church families fill my heart with memories of my past. Your exemplar lives are with me and I am blessed. Your parents were so good to me. They always had time to

acknowledge me, and Lyndon continued this attribute. I pray that he knew that I was touched to know him.
