

Lynette F. Billeter

April 29, 1963 ~ January 31, 2022

I worked at All My Memories with Lynette and Kim when I was in high school. She taught classes and everyone loved her classes. She was so talented. She was always happy and kind and was fun to work with. I loved the opportunity to work with her. I was so sad to hear of her tragic passing. Sending lots of thoughts prayers to her family.

Lynette was such a bundle of energy, positive, kind, thoughtful..... She always talked of her family, her love and concern for them, her desire that they were happy and well cared for. She delighted in her children's success and felt the weight of pain and worry if they were having a hard time. She loved and delighted in her grandchildren. She loved doing crafty things with them and for them. She was soooo artsy always showing me the latest creation and project. She was so proud of her husband and his dutch oven cooking after hunts and his strength to work the hours that he worked. She loved the garden boxes he made for her. She loved going on the hunts. She showed me the cougar she shot a year or so ago, very proud. Great things come in tiny packages and she was one of those tiny packages filled with enthusiasm, love, compassion, work ethic, always seeking to learn and grow. I am really grateful that I got to know her, she shared a lot of her learning and interests with me over the years. After our visits i'd think man how does she do all that she does. My thoughts and prayers are with you Lonni and your children and grand children. I am so so sorry that you are having to live without her, she leaves a big hole. I do know that time heals all wounds and the Lord is able to give comfort to the broken hearted, to carry the burdens that we can not carry. Take care love Brenda

I will always remember Lynette for her smile, cheerfulness, friendly greeting, and being so down to earth when I would see her every week at the Jordan River Temple. My heart is with Lynette's family. Wives, mothers, and grandmothers are such important people in our lives. I'm glad you know that she has gone ahead to a place of peace and pure joy and that she is waiting for you to join her when your purpose on earth is complete. I worked in SPED at Jordan while Lynette was there. I remember delicious cupcakes she generously made for birthdays and special occasions. She was always color coordinated in cute outfits, right down to the beaded lanyards for her badge. She was always kind to me. I would sometimes see her at the store with grandchildren she was tending and I know how much she loved her family. May that love stay with you and comfort you. With love, Kristina
