Oh Sandy I am so very sorry for your loss. I have thought of you guys so often but never made it to see you. I'm so sorry... You guys were such wonderful friends & we had so many fun times. After Paul passed, life was just here with my kids & that has been it. I love them, but I still miss Paul so much that seeing all our friends is a beautiful thing but still so painful. Please forgive me for not being there when you needed someone & please call when you need an ear. I will never forget the fun we had & laughing at Paul & Lynn & listening to their stories. Lynn was a great guy & will always have a place in my heart. I love you & will always remember our fun times.

I have so many fond memories of Lynn through the years and I am grateful to call him my friend. May God Bless you Sandy as you lay him to rest. Love you both.
