William Mario Vanden Boomen

April 25, 1956 ~ August 2, 2018

Dear Booman family: I only learned yesterday of Bill's passing and was stunned. I've never met any of you, but after years of watching commercials of Bill and Rick, I almost felt I knew them. I finally googled Bill to see if he had sold out to Rick and Kayla or what. I apologize that it took me that long. Please know how truly, truly sorry I am for all of you. I've sent up prayers for Bill and for each one of you. While I know firsthand how terribly we miss them, perhaps if you pick out a star, and Bill will show you which one, you can go out in the evenings and talk to him. Warmly, Linda Peterson Cedar City, UT
