I am so sorry that Madge has passed. She was always the life of the party with the bigger that life smile and laugh. I haven't seen her for sometime but she always seems to come up in conversations with a good laugh of something that reminded us of her. The summer get togethers in their back yard, to the parties at Club 48 & the Eagles. We love you Madge.

I have been thinking of you and I have been smiling a lot remembering the good memories we shared together… I will always love you and always remember you forever… A special thanks to all of you that came to remember Ma. And thank you to everyone at Larkin for the wonderful day we all shared…
