I am Maralyn’s cousin, Weldon Webster’s daughter. I am so sorry to hear of Maralyn’s passing. Maralyn was a very sweet and kind person. My prayers for her family at this sad time, it’s hard to loose a loved one but am grateful for the resurection that our Savior provided for us.

We are heartbroken to learn of Maralyn's passing. She was a sweet neighbor and we missed her. We loved visiting her and Ray, especially my Grandkids Phaedra and Robbie. They loved her as an adopted Grandma. We hope the family finds peace and comfort through this difficult time. Our thoughts and prayers are with you.

When I was a kid, I spent a lot of time at the mortuary with my dad. When I think of that time, the first person that comes to mind is Maralyn! She was always so fun and kind! Even as I got older and moved a way, whenever I ran into her she was so sincere, kind, and amazing! What a wonderful person! My condolences to her family!

I had the amazing joy and privilege of getting to know Maralyn while she lived at Beacon Crest. My mom and I enjoyed playing games, doing crafts and going shopping with Maralyn. We also had a small group that would meet for “girl’s night” and watch tv and have snacks after hours! I think what I will miss most about Maralyn is her quick wit and dry sense of humor! We both got such a kick out of giving each other a hard time! I miss her so much already and will always think of her as she has a special place in my heart! My love and condolences to you all. The world became a better place the day you were born. You were so full of love and Grace. You always made sure the people around you knew how much you cared.. I have no doubt that you are making heaven a better place, with you bright smile, and beautiful soul. I know we will meet again. I love and will miss you Always Breen

I loved working with Maralyn. She was alway so joyful. When a group of friends half her age went to dinner she was invited and came along and we had an absolute blast with her there. She always had a little bag of goodies for the kids for me to take home. You’d catch her humming a Christmas tune in June or July. She always liked talking about Texas with me. Thank you for sharing her with us.
