

Maralyn Milne English

April 29, 1958 ~ July 20, 2024

Like many, I was saddened by the news of Maralyn's passing. I counted her as a good friend and colleague over the years that we worked and occasionally collaborated at Snow Christensen & Martineau. She had an engaging smile and personality and will be missed by many friends, former colleagues and of course, family. My condolences to all.

Dear Scott and family - My sympathies go out to you as you grieve the loss of this wonderful woman, wife, mother and grandmother. Maralyn was always so friendly and kind to people (even when competing against them in pickleball!). Her positive impact on this world has been felt and I am saddened to see her move on.

I imagine this must be very painful Scott. I saw the love and fun you and Maralyn shared. I am sad and miss Maralyn as she led down this path ahead of me and we had very frank talks together. Love to you and your family.

We were so saddened to hear of Maralyn's passing, but at the same time, rejoice that she has been released from her painful fight with cancer. She is a beautiful soul and is now peacefully happy. Our prayers are with you and we know the Comforter will be, too.

What a wonderful photo of Maralyn...it captures her spirit of enthusiasm for life. Those beautiful dimples will always make us smile as we remember her. Maralyn was an example of faith and courage as she valiantly fought this battle. We take comfort in the wonderful reunion taking place with loving arms wrapped around her, welcoming her

home. Our family has been blessed by being your next door neighbors. We have been so blessed by knowing and loving Maralyn.

Dear Scott and all the family, We watched the memorial service for Maralyn just now. What a fitting tribute to a life well lived! Maralyn was certainly a woman of faith and joy in spite of her challenges. We were inspired by all the talks, music, and prayers. The service would be a comfort to you. May you all feel the comforting influence of the Holy Ghost, Sincerely, Sandy & Janice

My family and my associations with Maralyn have been phenomenal. We will miss her greatly. Even after her diagnosis of cancer, she has been very responsive on emails with wonderful comments. She has always been supportive and served favorably as a board member of the Lone Peak Hospital. Because my wife and I are on a mission in West Africa currently, we were unable to attend the funeral, but we certainly want to tell everyone how beneficial our lives have been and WILL be in the future because of our relationship with Maralyn.

I am so sorry for your loss Scott. I knew Marilyn growing up in Calgary and spent many summers at girls camp! She was also my roommate at UofA. Always so sweet and kind.
