

Marc Latimer

June 28, 1962 ~ April 27, 2021

Our Dearest Latimer Family! How sad we were to hear of the death of our Marc!!! We loved Marc and so cherished the times we were able to be with him and listen to his music and just relish in the love he had for so many many people! He was a choice son of God and we know he is with the beloved family that went before him and also our Father in Heaven and Jesus!!! They too also loved Marc and are happy to welcome him home! Thank you for letting us know of sweetheart Marc's passing! Wish we lived closer to all of you and our beloved Carla that we miss so much!!! All of our love, Bob and Diane x0x0x0x0
