I know these past few years have been difficult for all of you and I pray you will find peace and comfort in the wonderful memories you all made together. Dear Jerry, we are saddened at your loss and wish you to know of our affection for you and Marcia. We remember when you were our home teachers! Great days when we were all more physically vibrant. As for now, obviously Marcia is in a locale where she is physically vibrant and alive in mind and spirit! What a great consolation to know of gospel truths. But it does not mean that no sorrow or hurt is erased here in mortality, especially for the spouse. May the peace of heaven be upon you! Your friends, Jay and Janet Todd

Jerry, Ryan, Christopher and Jennifer. I want you to know that I love all of you including your dear wife and mother. She set such a great example to all of us of kindness, generosity, humility and elegance. She, in deed, was the complete package of womanhood and motherhood. My thoughts and prayers will be with you not only today, the day of her memorial, but in the days that come as you begin to adjust to her being gone. I believe she is having a glorious reunion with her parents and others and is now free from her earthly challenges. I believe that you and all of us will see her again in the future.

We will all miss Marcia. What a sweet, compassionate person she was. I remember my mother telling me how Marcia helped her when she was unable to do a lot of the day to day shopping. Marcia just made it a priority to help my mother—running errands, grocery shopping...whatever her needs were, Marcia was there with a helping hand. She was a lovely woman with compassion and a willingness to serve those in need. She was also a wonderful sister-in-law and sister to my late wife, Beverly. We've had so many fond memories together. She spread joy wherever she went. Love, David Fuhriman

Dear Jerry, It's probably been 35 years since our paths crossed in the Worcester Ward. I just happened to see you on FB today and was going down memory lane as I scrolled to see that Marcia had just passed. She was such a great example of grace to me! Oh what a loss for your family and you! So thankful for the knowledge that she has passed from your arms to her parents and siblings who with the Savior have prepared a place for her. Jerry, Ryan, Christopher and Jennifer, Sending my sincere love and condolences to you as I have just learned of the passing of Marcia last year. I knew your family as a young mother many years ago in Massachusetts. We served in the Primary Presidency together in the Worcester Ward. I learned so much about graciousness and love from her. She was my mentor and my friend and made a challenging time in my life so much more beautiful and sweet. I am forever grateful our paths crossed. And Im happy to think about how you three kids have grown up and had children of your own who will carry her light on thru the generations! My love to you all. Christa (formerly Hansen) Rotz
